Dear Lisa

RE: ABPN Scholarship Application [Small research grant] 2009

I am delighted to be able to inform you that your application has been successful. The scholarship will fund up to £750 towards the costs whilst conducting the data collection aspect of your doctoral studies.

In regard to payment of the award please liaise with Norman Long at norman18@talktalk.net. For administration purposes receipts of any expenditure incurred should be sent to Norman. The panel have advised that this money will be distributed in smaller chunks during conduction of the research. Please collect receipts and submit every 3 months (approximately).

Following attendance at the conference you will be required to submit an article for the Journal of Child Health Care. This should be discussed with Bernie Carter who is editor of the journal. Her contact details are Professor of Children's Nursing, Department of Nursing (BB429) University of Central Lancashire, Preston, PR1 2HE Tel: 01772 893720/3717. It would also be nice to have a small article with photograph publicizing the award in the ABPN Newsletter.
